## 12. MAKEUP TIPS FOR THE STAGE

- Foundation – use an oil free foundation to match your skin tone. Use powder to set the foundation and give a matte finish.
- Eyes – Use light browns or grays on the lid, highlighter under the brow and a burgundy or other deep shade in the crease of the eye. BLEND!
- Eyebrows – use a brow pencil a bit darker than your natural color to frame the eye.
- Eyeliner – apply across top lid and under the bottom lashes. Eyes look larger when inner corners are left open.
- Eyelashes – mascara, mascara, mascara! False eyelashes are fine for older students. Use natural looking ones to enhance your own.
- Blush – Brush from side of face toward the mid cheek. Use a rose shade. No red circles. Blend all edges.
- Lips – use a lip pencil to outline lips. Fill in with a deep rose or mulberry color. No bright red or orange shades.
- Lip color suggestions:
  - Our Nutcracker lip color can be purchased at your local Ulta or on Amazon. It is versatile for all skin tones and will not rub off on costumes when applied correctly:
    - **Nutcracker lip color:**
      - **\*Revlon Ulta HD Matte Lip color 635 Passion (for all skin tones)**
      - L'Oreal Infallible 312 Rouge Envy (for all skin tones)
